

Introduction for Ben Glenn

Our guest speaker this morning/evening has a presentation that will most likely be one of the most surprising and inspiring programs you have ever witnessed. Ben Glenn, also known as The Chalkguy has been a full-time speaker and entertainer since 1994. He has traveled all over the world sharing his eye-opening and creative Chalk Media programs. Ben's goal, whenever he gets up on stage is to make you laugh and to make you think. To entertain and to challenge.

Though he doesn't have any doctorates or special designations, Ben has extensive knowledge about ADHD and Dyslexia, both of which he has battled from early childhood. His personal story of overcoming these obstacles to become a successful presenter has been reshaping attitudes, increasing awareness and motivating his audiences to pursue excellence. Please sit back, relax and enjoy!

Welcome, Ben Glenn, The Chalkguy!
